Our left hand side L grab rail in a 950 by 600 size is a great support product for bathroom areas that need to provide extra assistance.

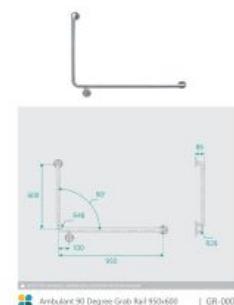

The stainless steel L grab bar can be wall mounted to provide mobility support around the home or commercial space.

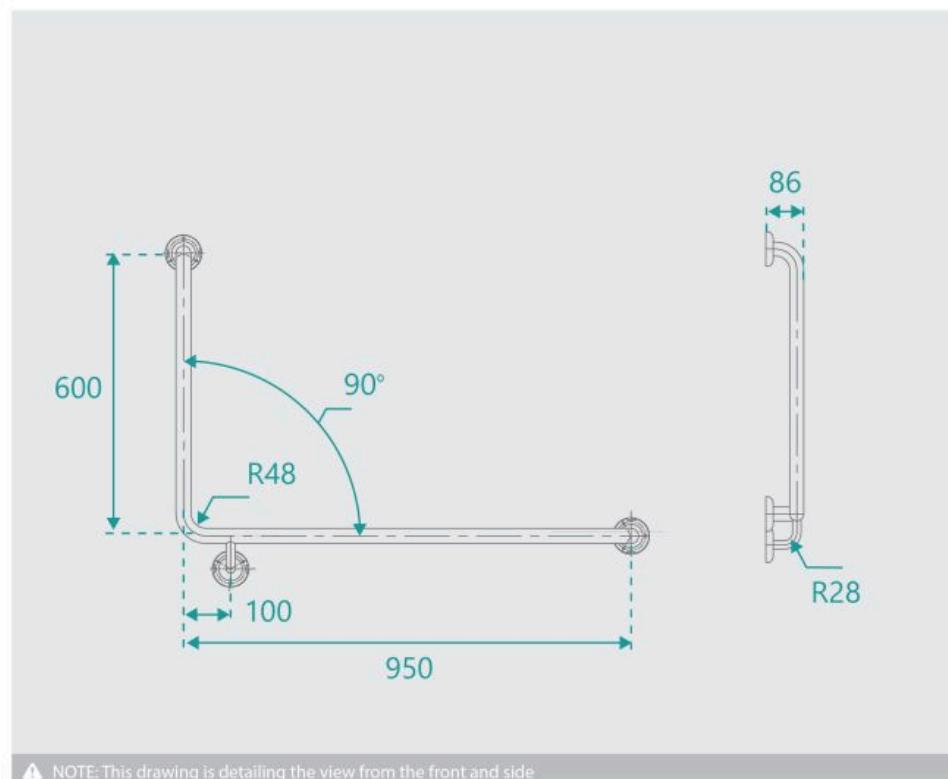

Constructed from stainless steel for durability, and a satin finish for a ergonomic grip, this assisted living product can support up to 150kg of weight.

The left hand side support & safety rail can be installed in accordance with the AS1428.1 guidelines.

The L shape grab rail features a round tube with an ergonomic diameter, ensuring a secure grip and ample hand clearance between the rail and the wall.

Wall mount screws and brackets included.
