Warranty: 5 Year Product Warranty

The Wall Panel Corner Trims provide a full wall of protective lining for your shower waterproof panels. The white corner trims are easy to install and can be paired with the Shower Wall Panels in 1000mm to achieve a tight waterproof fit and a seamless look. Installing full wall of shower panels creates a clean and low maintenance alternative to traditional tile walls to your bathroom. Cleaning becomes a breeze with no grout lines that can catch soap residue or chip away in time.
