The Wall Panel External Trims allow you to create a full wall of protective lining for your bathroom shower. They are easy and flexible to install, they can also be paired with the shower wall panels in 1000mm size to achieve a tight waterproof solution and a seamless look. A full wall of waterproof shower panels are an easier to clean and maintain alternative to traditional tiles. Cleaning your shower walls is a breeze with no grout lines that can catch soap residue or chip away in time.
