The Corner Wall Panel trims assists in creating a full wall of protective lining for your bathroom shower. Easy and flexible to install, these grey corner trims can be paired with the shower wall panel trims in a 1000mm size to provide a tight waterproof fit and a modern look. A full wall of shower panels creates an easier to clean and low maintain alternative to a traditional tile wall. Cleaning becomes easy with no grout lines that can catch soap residue or chip away in time.
