The Wall Panel Corner Trims in a beige finish provide a full wall of protective lining for your waterproof shower panels. The beige corner trims are easy to install and can be paired with the Shower Wall Panels in 1000mm to achieve an efficient waterproof fit and a modern look. Full wall shower panels are a great cost-effective alternative to traditional tile walls to your bathroom. Cleaning becomes a breeze with no grout lines that can catch soap residue or chip away in time.
