The Hudson ceramic basin is your go-to choice for creating a minimalist bathroom. The under mount structure allows the basin to be tucked under the benchtop to achieve a sleek design and show off your beautiful stone tops. With a three-hole overflow design and a large-sized ceramic bowl, this basin provides ample space for your daily washing that is optimal for family-sized bathrooms.

The basins need to be fixed to the stone top as part of installation.

**Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.*
