The large 1800mm Joslin fluted curve bathroom vanity in a matte white finish has been designed to bring a new standard of sophistication and appeal. Expertly handcrafted, the large vanity features a matte white fluted cabinet showcasing a unique textured panelling façade, creating visual depth and modern appeal.

The exterior of the large vanity is clad in natural wood grain, making this fluted groove vanity an exceptional value for price. Including a LED sensory light that activates when opening the two large push to open drawers. Pair our Joslin vanities with one of our above-counter basins, available in a range of shapes and finishes, to complete your bathroom transformation.

With two large push to open side curve doors that include internal shelves and small drawers available in the main draw face, no space is wasted in this deluxe vanity that will assist with your everyday bathroom needs. Constructed in moisture resistant Plywood & MDF, this wall mounted vanity brings a calming and welcoming ambience to your bathroom space.

*Please note that stone and timber samples may differ from the actual product due to natural variations and batch differences. Colours displayed online may appear different due to screen settings. Standard stone and timber benchtops are supplied without holes, allowing for installation flexibility. Custom stone benchtop orders will be dispatched within 15 business days. For ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received.
